

## Online Supplementary Document

Black et al. Comprehensive review of the evidence regarding the effectiveness of  
COMMUNITY–BASED PRIMARY HEALTH CARE in improving maternal, neonatal and child  
health: 8. summary and recommendations of the Expert Panel

J Glob Health 2017;7:010908

### Expert Panel Members, Task Force Members, and Workshop Participants

Over the period of the review, the composition of the Expert Panel changed somewhat. A full description of the persons who participated in the Panel at each stage of the Panel activity is provided elsewhere [1]. Here we list those who attended the 2008 meeting in New York City and those who participated in the preparation/review of this article.
